

# **How to Set up Events** with its own registration page and tag

# 1. Create a Registration Form

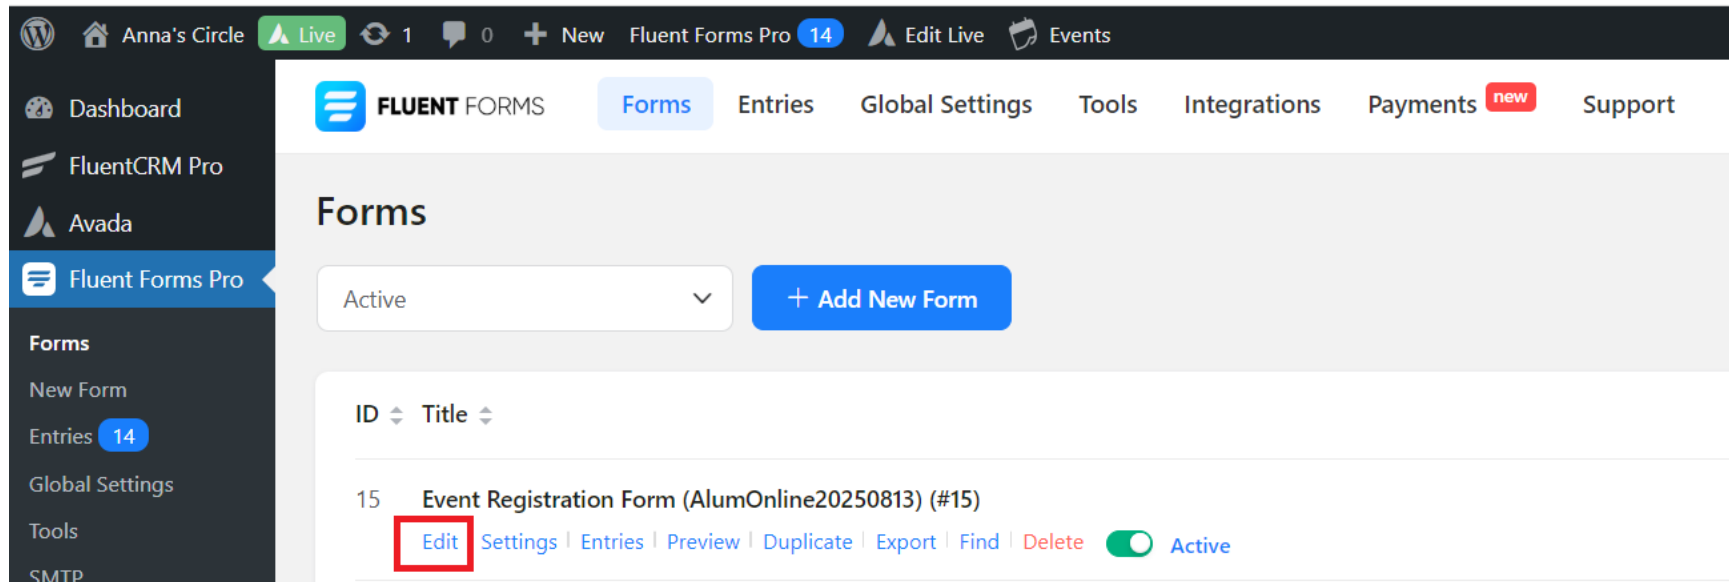

- Go to **Fluent Forms Pro – Forms**
- Duplicate one of the existing event registration form

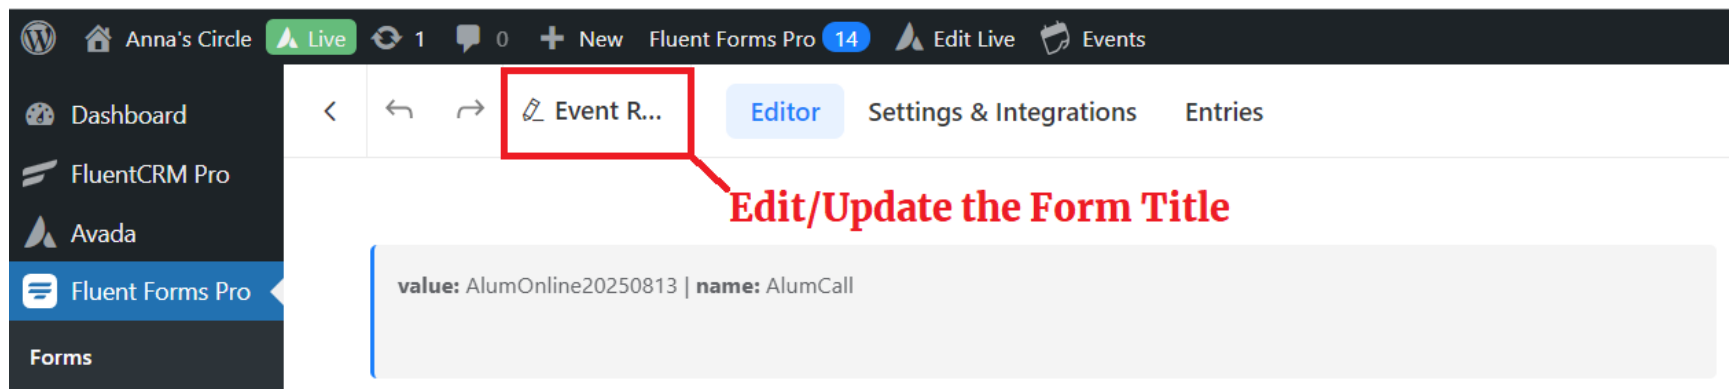

The screenshot displays the Fluent Forms Pro dashboard. The top navigation bar includes a WordPress logo, a home icon, the site name 'Anna's Circle', a 'Live' status indicator, a refresh icon, a comment icon with '0', a '+ New' button, the 'Fluent Forms Pro' header with a '14' badge, an 'Edit Live' button, and an 'Events' icon. The left sidebar menu contains 'Dashboard', 'FluentCRM Pro', 'Avada', 'Fluent Forms Pro' (selected), 'Forms', 'New Form', 'Entries' (with a '14' badge), 'Global Settings', 'Tools', and 'SMTP'. The main content area is titled 'Forms' and features a dropdown menu set to 'Active' and a '+ Add New Form' button. Below this, a table lists existing forms. The first form is '14 Event Registration Form (AlumOnline20250813)'. Its action row includes links for 'Edit', 'Settings', 'Entries', 'Preview', 'Duplicate' (highlighted with a red box), 'Export', 'Find', 'Delete', a toggle switch, and the word 'Active'.

ID	Title	Actions
14	Event Registration Form (AlumOnline20250813)	<a href="#">Edit</a>   <a href="#">Settings</a>   <a href="#">Entries</a>   <a href="#">Preview</a>   <a href="#">Duplicate</a>   <a href="#">Export</a>   <a href="#">Find</a>   <a href="#">Delete</a>   <input checked="" type="checkbox"/> Active

# Edit the duplicated Registration Form

The screenshot shows the Fluent Forms dashboard. The left sidebar contains navigation links: Dashboard, FluentCRM Pro, Avada, Fluent Forms Pro, Forms, New Form, Entries (14), Global Settings, Tools, and SMTP. The top navigation bar includes: Anna's Circle, Live, 1, 0, New, Fluent Forms Pro (14), Edit Live, and Events. The main header has: FLUENT FORMS, Forms (active), Entries, Global Settings, Tools, Integrations, Payments (new), and Support. The 'Forms' section displays a list of forms. The first form is 'Event Registration Form (AlumOnline20250813) (#15)'. Below the form title, there are links: Edit (highlighted with a red box), Settings, Entries, Preview, Duplicate, Export, Find, Delete, and a toggle switch for 'Active'.

The screenshot shows the Fluent Forms editor interface. The left sidebar is the same as the previous screenshot. The top navigation bar is the same. The main header has: < (back), < (previous), > (next), Event R... (highlighted with a red box), Editor (active), Settings & Integrations, and Entries. Below the header, there is a text input field with the value: AlumOnline20250813 | name: AlumCall. A red arrow points from the 'Event R...' link to the text input field with the text 'Edit/Update the Form Title'.

# Change the values of the following:

The screenshot displays the Fluent Forms Pro editor interface. The top navigation bar includes a sidebar with links to Dashboard, FluentCRM Pro, Avada, and Fluent Forms Pro. The main content area shows the form editor for 'Event R...'. The form fields are organized into a grid. The 'Input Fields' tab is active, and the 'Input Customization' sub-tab is selected. The 'Default Value' field is highlighted with a red circle, and the 'Tag' is highlighted with a red box. The 'Name Attribute' field is also highlighted with a red box. The 'Submit' button is located at the bottom left of the form.

# On the same form, go to Settings & Integrations

The screenshot shows the Fluent Forms Pro settings interface. The 'Settings & Integrations' tab is selected in the top navigation bar. In the left sidebar, the 'Configure Integrations' button is highlighted with a red box. The main content area displays 'All Form Integrations' with a table listing the 'FluentCRM Integration Feed'. The 'Status' is 'Enabled' and the 'Integration' is 'FluentCRM'. The 'Actions' column shows a settings icon (highlighted with a red box and a red arrow pointing to it) and a trash icon. A red text label 'Update the Tag used for the Integration Feed' points to the settings icon. Below the table, the 'Contact Tags' section is visible, showing a 'Select Tags' dropdown and a checkbox for 'Enable Dynamic Tag Selection'. A red box highlights a conditional tag rule: 'AlumOnline20250813' (tag) 'If' 'event\_ID' (field) 'equal' (operator) 'AlumOnline20250813' (value).

# Creating a WebHook URL

in the community site: learn.annascircle.org

- Go to FluentCRM Pro – Settings – Incoming Webhooks

The screenshot displays the FluentCRM Pro interface. The top navigation bar includes 'Anna's Circle Community', 'Fluent Forms Pro 45', and 'Web push'. The left sidebar lists various menu items, with 'FluentCRM Pro' and 'Settings' highlighted. The main content area shows the 'Incoming Webhook Settings' page, which includes a search bar, a 'Create Webhook' button, and a table of existing webhooks. A red arrow points to the 'Create Webhook' button, and a red box highlights the 'Settings' menu item in the sidebar.

**Incoming Webhook Settings**

Add the WebHook URL to the Request URL and follow all the values set below. Set the appropriate tag in the Event ID and click SAVE FEED.

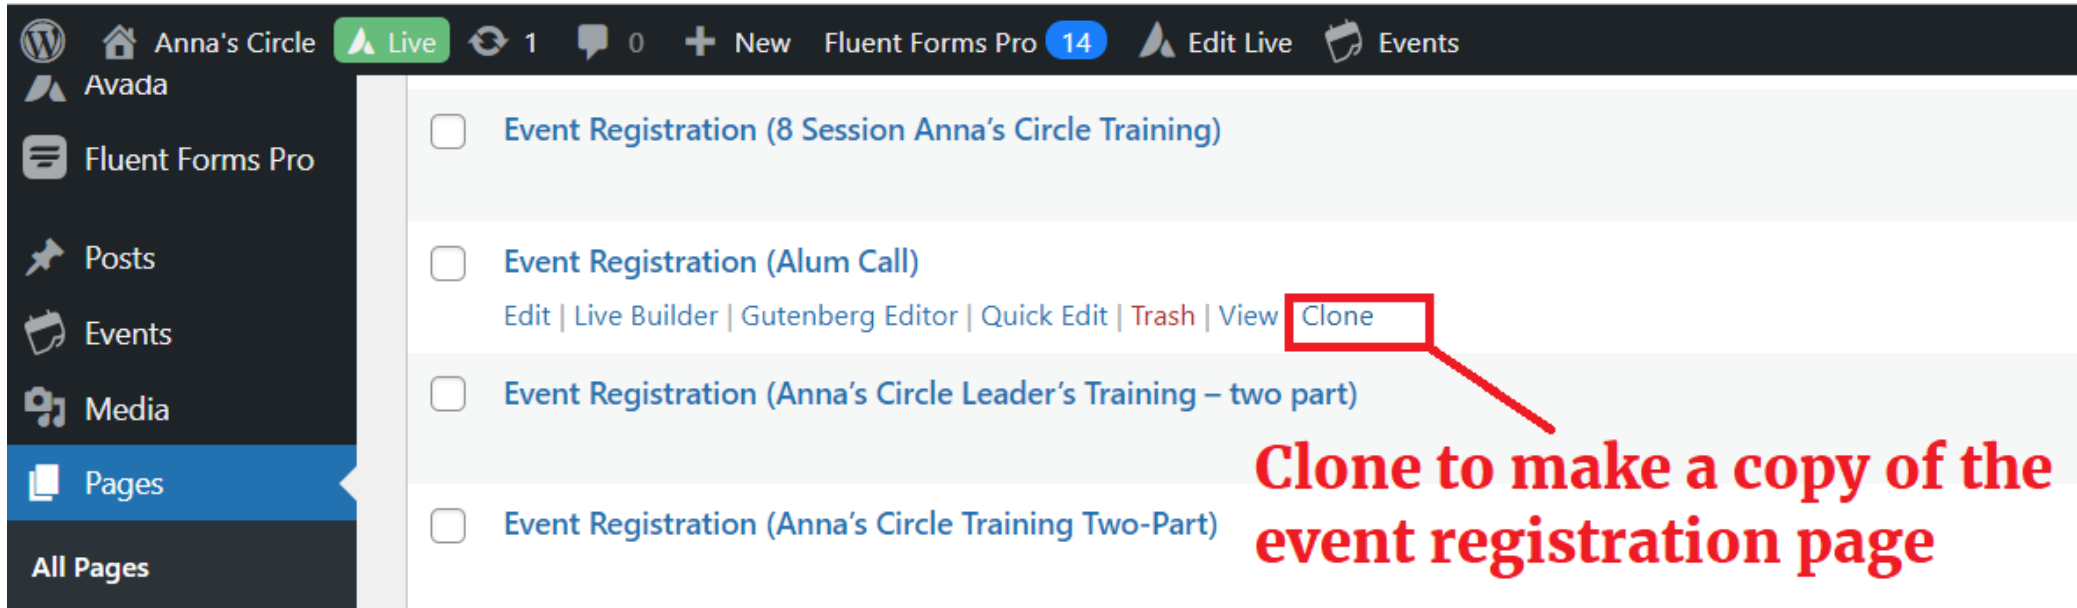

The screenshot displays the 'WebHooks Integration' settings page in the Fluent Forms Pro interface. The left sidebar shows the 'WebHook' option selected under the 'Forms' section. The main content area is titled 'WebHooks Integration' and includes a 'Back' button. The configuration details are as follows:

- Name:** Alum Call
- Request URL:** https://learn.annascircle.org/?fluentcrm=1&route=contact&hash=0d6c1c39-f872-44da-b35a-b318b2z:
- Request Method:** POST
- Request Format:** JSON
- Request Header:** No Headers (selected)
- Request Body:** All Fields (selected)
- Conditional Logics:** Enable conditional logic (checked)
- Send this notification if:** Any of the following match:
  - Event ID equal AlumOnline20250813
- Save Feed:** Button at the bottom.

NOTE: This is set from annascircle.org event registration form.

# When the Registration Form is all set. You can now create a registration page for the event.

- Go to annascircle.org **Dashboard – Pages**
- **Clone** one the existing event registration pages.

The screenshot shows the WordPress dashboard for 'Anna's Circle'. The top navigation bar includes 'Anna's Circle', 'Live', '1', '0', '+ New', 'Fluent Forms Pro 14', 'Edit Live', and 'Events'. The left sidebar shows 'Avada', 'Fluent Forms Pro', 'Posts', 'Events', 'Media', 'Pages' (highlighted), and 'All Pages'. The main content area displays a list of pages:

- ☐ [Event Registration \(8 Session Anna's Circle Training\)](#)
- ☐ [Event Registration \(Alum Call\)](#)  
[Edit](#) | [Live Builder](#) | [Gutenberg Editor](#) | [Quick Edit](#) | [Trash](#) | [View](#) | [Clone](#)

# Edit the Registration Page

The screenshot shows the Avada Builder interface for editing a page. The top header includes the site name "Anna's Circle", a "Live" status indicator, and user information "Howdy, Dulcie Crawford". The sidebar on the left contains navigation links for Dashboard, FluentCRM Pro, Avada, Fluent Forms Pro, Posts, Events, Media, Pages, All Pages, Comments, Portfolio, FAQs, Appearance, Plugins, Users, Tools, Settings, Wordfence, CookieAdmin, and Collapse Menu. The main editing area has a top bar with "Edit Page" and "Add Page" buttons. Below this is a text input field containing "Event Registration (sample form)" and a permalink field with the URL "https://www.annascircle.org/event-registration-sample-form/". A red box highlights these fields with the annotation "update the page title and the permalink". Below the text fields are buttons for "Default Editor" and "Live Builder". The main editing area is divided into two columns. The left column is labeled "Container" and contains a form element with the text "EVENT REGISTRATION Alum Call" and a field with the value "[fluentform id='14']". A red box highlights the form element with the annotation "update event registration form name". The right column contains an image element with a photo of a group of people. A red box highlights the image with the annotation "change the photo if you want". On the right side of the interface is a "Publish" sidebar with buttons for "Save Draft", "Preview", "Status: Draft", "Visibility: Public", "Publish Immediately", and "Move to Trash". A red box highlights the "Publish" button with the annotation "Publish when it's all done".

# Copy the Form Shortcode

- Go to Fluent Forms Pro

The screenshot shows the Fluent Forms Pro dashboard. The left sidebar contains navigation links: Dashboard, FluentCRM Pro, Avada, and Fluent Forms Pro (selected). Under 'Fluent Forms Pro', there are links for Forms, New Form, Entries (14), Global Settings, Tools, SMTP, Integrations, and Support. The main content area is titled 'Forms' and includes a filter dropdown set to 'Active' and a '+ Add New Form' button. A table lists the forms:

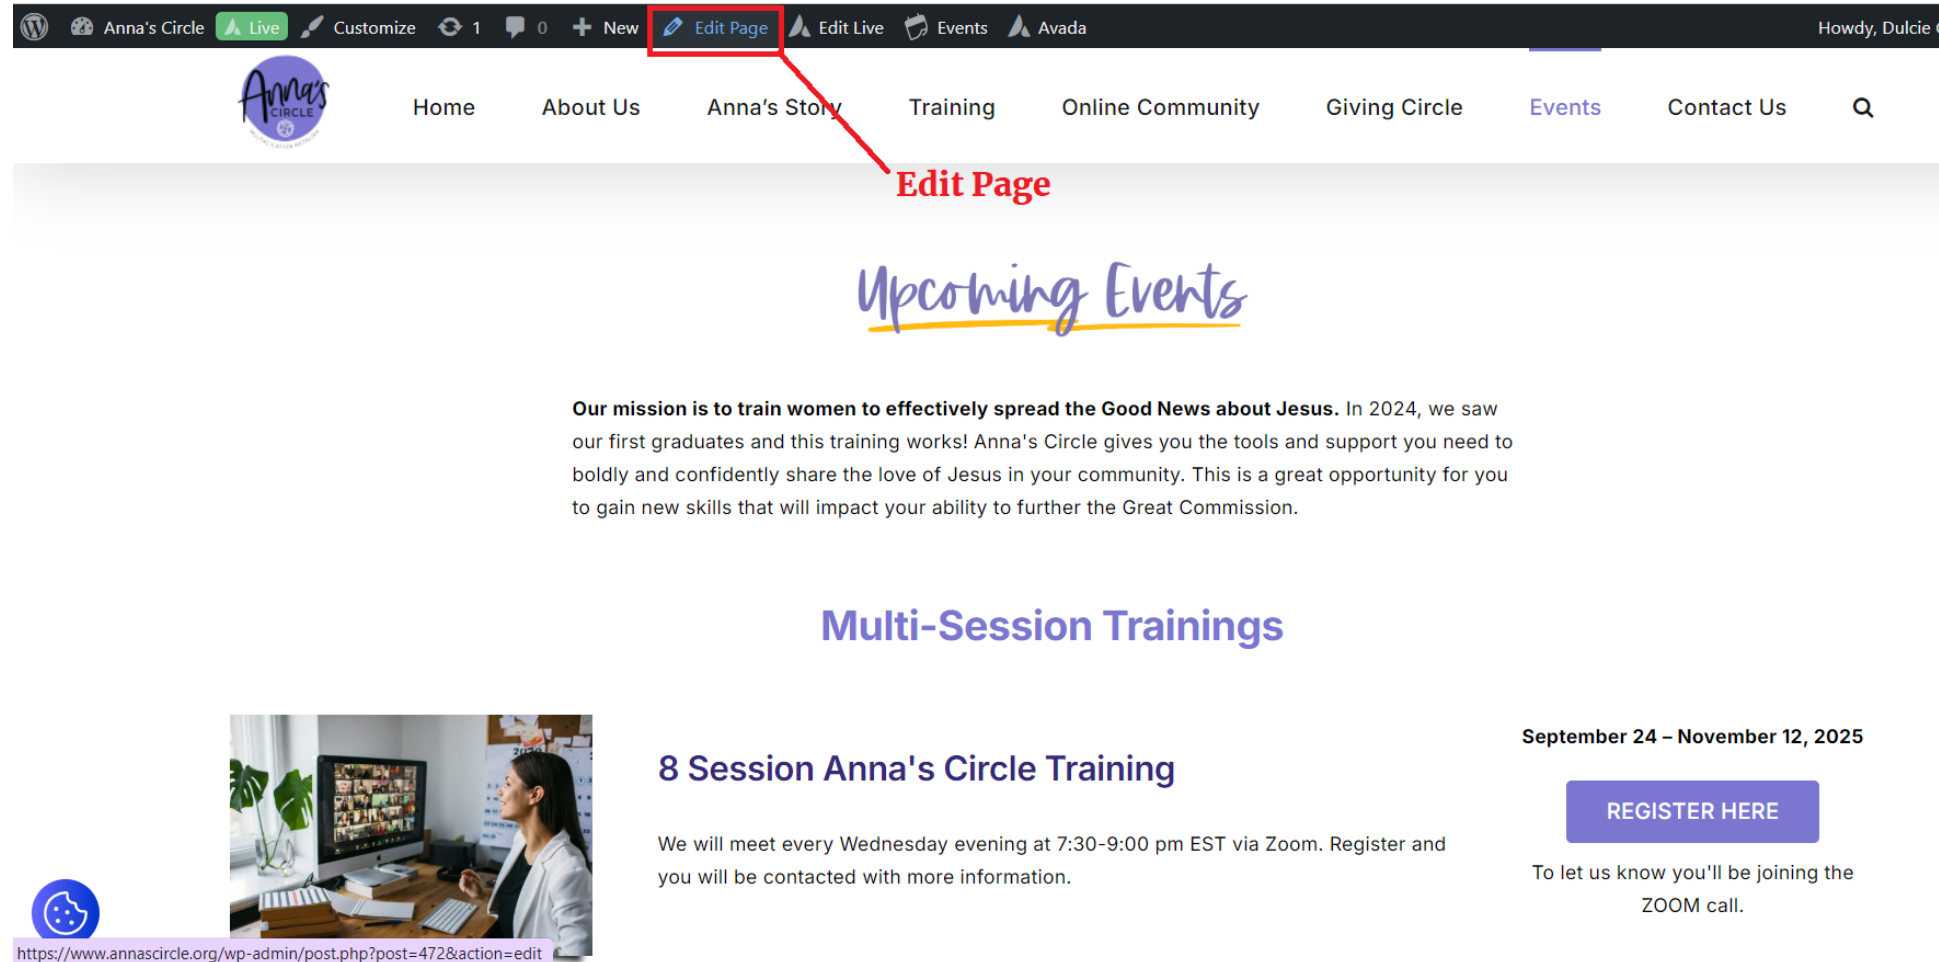

ID	Title	ShortCode	Entries
15	Event Registration Form (AlumOnline20250813) sample <a href="#">Edit</a>   <a href="#">Settings</a>   <a href="#">Entries</a>   <a href="#">Preview</a>   <a href="#">Duplicate</a>   <a href="#">Export</a>   <a href="#">Find</a>   <a href="#">Delete</a>   <a href="#">Active</a>	[fluentform id="15"]	0
14	Event Registration Form (AlumOnline20250813)	[fluentform id="14"]	0

A red box highlights the first form (ID 15). A red circle highlights the shortcode '[fluentform id="15"]' in the 'ShortCode' column. A red arrow points from the text 'copy the shortcode and paste it to the registration page' to the circled shortcode.

# Lastly, add the event to the Events page

## Upcoming Events

Our mission is to train women to effectively spread the Good News about Jesus. In 2024, we saw our first graduates and this training works! Anna's Circle gives you the tools and support you need to boldly and confidently share the love of Jesus in your community. This is a great opportunity for you to gain new skills that will impact your ability to further the Great Commission.

### Multi-Session Trainings

<https://www.annascircle.org/wp-admin/post.php?post=472&action=edit>

#### 8 Session Anna's Circle Training

We will meet every Wednesday evening at 7:30-9:00 pm EST via Zoom. Register and you will be contacted with more information.

September 24 – November 12, 2025

[REGISTER HERE](#)

To let us know you'll be joining the ZOOM call.

# Clone one of the event container and update the content and button link.

The screenshot displays the Fluent Forms Pro Builder interface. On the left is a dark sidebar with navigation options: Posts, Events, Media, Pages (highlighted), All Pages, Add Page, Comments, Portfolio, FAQs, Appearance, Plugins (1), Users, Tools, Settings, Wordfence, CookieAdmin, and Collapse Menu. The top header shows 'Anna's Circle', 'Live' status, and various icons. The main workspace is titled 'Event 3' and contains three event containers. A red box highlights the 'Clone' icon (two overlapping documents) in the top right of the 'Event 3' header bar. A red arrow points from the text 'Clone one of the event container' to this icon. The first container shows an image of four women. The second container contains text about 'Connecting Others with God — Part 2 P.R.A.Y.'. The third container shows the date 'November 18, 2025 7:30 – 8:30 pm EST', a purple 'REGISTER HERE' button, and a note about joining a ZOOM call. At the bottom right are 'Preview' and 'Update' buttons. A URL bar at the bottom shows 'https://www.annascircle.org/wp-admin/post.php?post=472&action=edit#'.

Connecting Others with God — Part 2 P.R.A.Y. is an easy-to-use model for prayer that teaches the basics of prayer as an evangelistic tool. You'll find this acronym to be very helpful as you guide others (and yourself) into a deeper relationship with God. Once we make a connection with God through prayer, we clearly see that He's a God who hears and answers us when we come to Him.

# When everything is added, click on UPDATE to save the changes made.

The screenshot displays the Avada Builder interface for editing a page titled "UPCOMING EVENTS". The top navigation bar includes the WordPress logo, site name "Anna's Circle", and various status indicators like "Live", "1", "0", "New", "View Page", "Fluent Forms Pro 14", "Edit Live", and "Events". The right side of the top bar shows "Search Contacts" and the user profile "Howdy, Dulcie Crawford".

The left sidebar contains a menu with options: Dashboard, FluentCRM Pro, Avada, Fluent Forms Pro, Posts, Events, Media, Pages (highlighted), All Pages, Add Page, Comments, Portfolio, FAQs, Appearance, Plugins (1), Users, Tools, and Settings.

The main editing area shows the "Edit Page" header with an "Add Page" button. Below it is the page title "UPCOMING EVENTS" and its permalink: <https://www.annascircle.org/upcoming-events/>. There are buttons for "Default Editor" and "Live Builder".

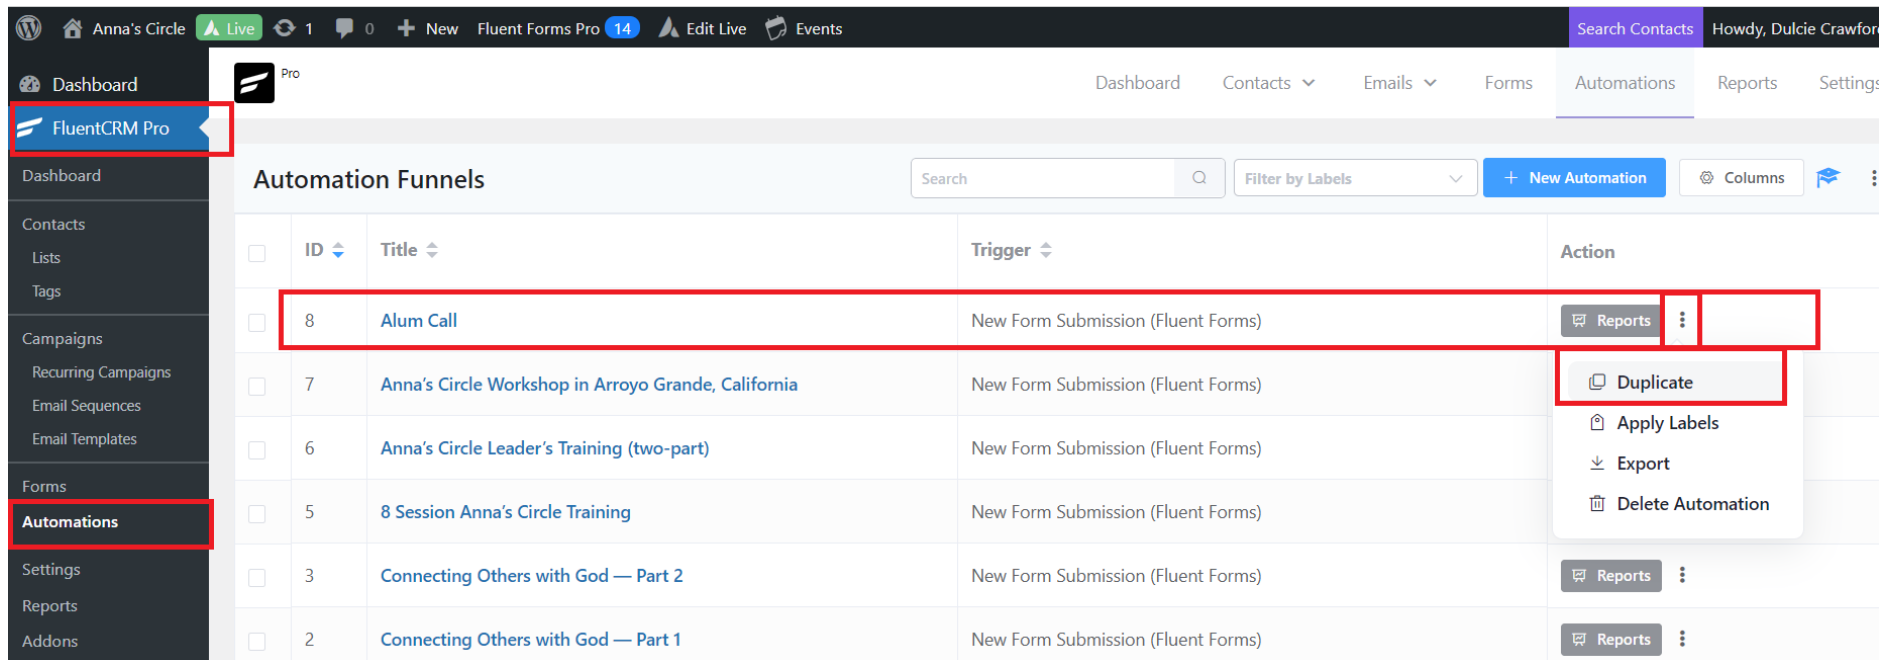

The "Revisions" section is visible below the editor. The "Avada Builder" interface is active, showing a "Builder" tab and a "Library" tab. The "Intro" section is currently selected, and a toolbar with icons for edit, copy, paste, and delete is visible.

On the right side, the "Publish" sidebar is open. It includes a "Preview Changes" button, status information (Status: Published, Visibility: Public, Revisions: 5, Published on: Jan 12, 2025 at 10:41), and a "Move to Trash" link. The "Update" button is highlighted with a red box and a red arrow pointing to it from the text "Click UPDATE to save the changes.".

Below the "Publish" sidebar is the "Page Attributes" section, which includes fields for "Featured image", "Featured image 2", "Featured image 3", and "Featured image 4".

# One more thing...add CRM Automations

- Go to **FluentCRM Pro – Automations**
- Just duplicate one of the existing automations and update the Tags and Lists set for the automation.

The screenshot displays the FluentCRM Pro interface. On the left, a sidebar menu contains 'Dashboard', 'Contacts', 'Campaigns', 'Forms', 'Automations' (highlighted with a red box), 'Settings', 'Reports', and 'Addons'. The main content area is titled 'Automation Funnels' and features a table with columns for ID, Title, Trigger, and Action. The table lists several automation funnels, with the first one, 'Alum Call' (ID 8), highlighted by a red box. To the right of the 'Alum Call' row, a dropdown menu is open, showing options: 'Duplicate' (highlighted with a red box), 'Apply Labels', 'Export', and 'Delete Automation'. The top navigation bar includes 'Search Contacts', 'Howdy, Dulcie Crawford', and tabs for 'Dashboard', 'Contacts', 'Emails', 'Forms', 'Automations', 'Reports', and 'Settings'.

ID	Title	Trigger	Action
8	Alum Call	New Form Submission (Fluent Forms)	Reports
7	Anna's Circle Workshop in Arroyo Grande, California	New Form Submission (Fluent Forms)	Duplicate
6	Anna's Circle Leader's Training (two-part)	New Form Submission (Fluent Forms)	Apply Labels
5	8 Session Anna's Circle Training	New Form Submission (Fluent Forms)	Export
3	Connecting Others with God — Part 2	New Form Submission (Fluent Forms)	Delete Automation
2	Connecting Others with God — Part 1	New Form Submission (Fluent Forms)	Reports
